

Serial No.: 10/729,035

Docket No.: ECV-5413CIP2CON1

Amendment After Final dated June 13, 2008

Responsive to the Final Office Action dated February 14, 2008

**REMARKS**

Claims 1-10, 13-18, 21-23, and 31-45 remain pending.

Applicants gratefully acknowledge the allowance of claims 31-41.

The Examiner has indicated that claims 5 and 21 would be allowable if rewritten to 5 include any base and intervening claim limitations. Accordingly, the limitations of claim 5 have been incorporated into claim 1, and the limitations of claim 21 have been incorporated into claim 13. Claims 1 and 13 are therefore now in condition for allowance. Claims 5 and 21 are retained with a further limitation from the specification, and no new matter is added.

Applicants do not agree with Examiner Isabella's and now Examiner Walker's 10 determination in regard to claims 1 and 13, and their dependents, and reserve the right to refile these claims in a subsequent application.

The dependency issues with regard to claims 43 and 45 have been fixed above.

In conclusion, the foregoing amendments and remarks are believed to place claims 1-10, 13-18, 21-23, and 31-45 into condition for allowance. If there is any further hindrance to 15 allowance, the Examiner is encouraged to contact the undersigned by telephone.

Respectfully submitted,

20 Date: June 13, 2008
